When sharing about Corrections service, refer to an excerpt from a letter that our co-founder Bill W. wrote to a prison group in 1949:

*Every A.A. has been, in a sense, a prisoner. Each of us has walled himself out of society; each has known social stigma. The lot of you folks has been even more difficult: In your case, society has also built a wall around you. But there isn't any real essential difference, a fact that practically all A.A.s now know. Therefore, when you members come into the world of A.A. on the outside, you can be sure that no one will care a fig that you have done time. What you are trying to be—not what you were—is all that counts with us.*
